

## Queensland Motor Vehicles Register

*CITEC Confirm* offers fast, reliable, online access to essential Queensland motor vehicle information through our Queensland Motor Vehicle Register (QMVR).

**Note:** Access to the Queensland Transport database is restricted by state legislation and is limited to certain parties. An application to access this product is required.

### Solution Overview

Our direct connection with Queensland Transport ensures you receive the most up-to-date and reliable information available.

Clients receive instant access to:

- current registration searches
- point-in-time searches
- owner name searches
- document ordering (including vin/chassis and engine number, personalised plate searches and dealer plate searches)
- agent searches.

Other innovative developments include:

- simple, intuitive search screens for faster processing
- information returned online and stored in the *CITEC Confirm* Inbox for up to 30 days, with the exception of ordered documents which are not stored online
- results returned online as user friendly PDFs can be easily saved, printed or emailed.

### Business Benefits

With fast, online access to Queensland Motor Vehicle information, *CITEC Confirm* delivers key business benefits, including:

- improved organisational efficiency, through our complete suite of vehicle lodgement and search products, including the Register of Encumbered Vehicles
- improved productivity with bulk upload searches which allow you to do multiple searches from one input screen
- improved cash flow management through *CITEC Confirm*'s flexible billing options.
