

Supreme Court of Victoria eFiling

CITEC Confirm understands the needs of the legal profession. Our innovative information solutions allow you to lodge initiating or additional civil documents for the Supreme Court of Victoria online.

From your desktop, streamline your business processes with *CITEC Confirm* Supreme Court of Victoria eFiling. *CITEC Confirm* can help give your organisation a competitive edge by providing access to a fast, convenient lodgement and tracking system for documents in the Supreme Court of Victoria.

Solution Overview

Lodge your civil documents online by attaching documents prepared on your firm's precedent software systems.

- Create a case, file new documents, make changes to existing cases.
- The Supreme Court Registry will assign case numbers.
- The court seal will be provided online for successful lodgements.
- eFiling details may be viewed via *CITEC Confirm* immediately following lodgement.
- Solicitor's reference details only need to be entered once and are reproduced throughout the system.
- If a document is rejected by the Court, you will be notified of the reasons online, allowing you to rectify and refile immediately.

Business Benefits

With fast, online access to Supreme Court of Victoria eFiling, *CITEC Confirm* delivers key business benefits including:

- improved organisational efficiency with the ability to track documents, whether they are pending, filed or rejected
- improved cash flow management through *CITEC Confirm's* flexible billing options. Court fees and transaction costs are calculated automatically and invoiced fortnightly. No more cheques for individual lodgements
- reduced staff workload. Online processing and information access saves time and money.

ABOUT *CITEC Confirm*

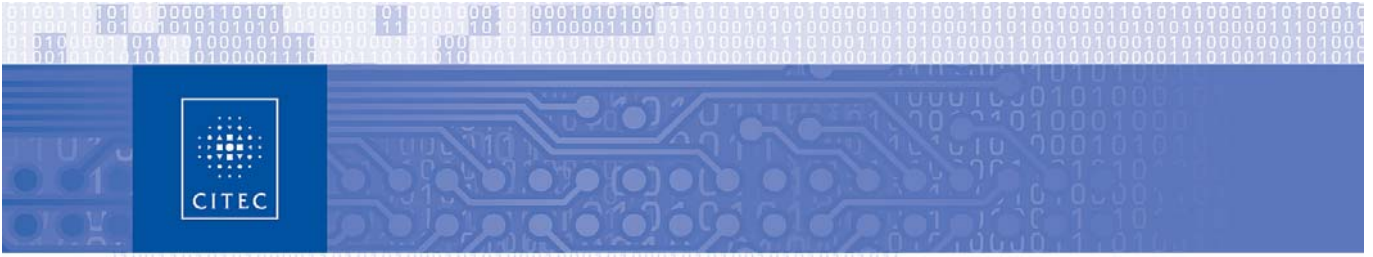

CITEC Confirm is one of Australia's largest providers of online information providing information solutions to local, national and multinational organisations.

Established in 1989, *CITEC Confirm* has been a market leader and innovator in information brokerage for almost two decades.

With a strong focus on the delivery of information solutions to improve efficiencies for our clients, *CITEC Confirm* prides itself on a personalised approach to service to help our clients achieve their goals.

Delivering around five million information transactions annually, *CITEC Confirm* empowers our clients with information solutions that help to streamline the business processes involved in court lodgements and tracking, debt recovery, buying or selling of property, money lending, business start up, risk management, asset discovery and insurance claim processing.

With access to more than 40 government and commercial information sources, *CITEC Confirm* provides fast, convenient access to online information, in addition to eLodgement facilities for a number of courts.
