

## Victorian Lands

*CITEC Confirm's* Victorian Lands product will streamline your search processes by providing fast, convenient access to land information, including online titles and property certificates.

### Solution Overview

Our innovative Victorian Lands product allows you to instantly retrieve an extensive range of information from Landata (Victoria, Department of Sustainability and Environment). Features include:

- instant online access to land documents, title packages, land index information, property certificates and title tracking
- simple, intuitive search screens for faster processing
- storage of returned information in the Confirm Inbox for easy retrieval for up to 30 days
- availability of results in user friendly PDF. Results can be easily saved, printed or sent by email
- an email function that allows immediate online viewing of results with an additional copy sent to you.

### Business Benefits

*CITEC Confirm's* Victorian Lands product delivers key business benefits, including:

- improved organisational efficiency. Experience *CITEC Confirm's* complete suite of national searches to obtain a complete range of information from one source
- improved cash flow management through *CITEC Confirm's* flexible billing options to assist in cost recovery
- improved productivity with advanced functionality allowing you to order multiple searches from the same input screen
- the ability to retrieve related information from our 'Related Searches' function delivers increased operating efficiency.

#### ABOUT *CITEC Confirm*

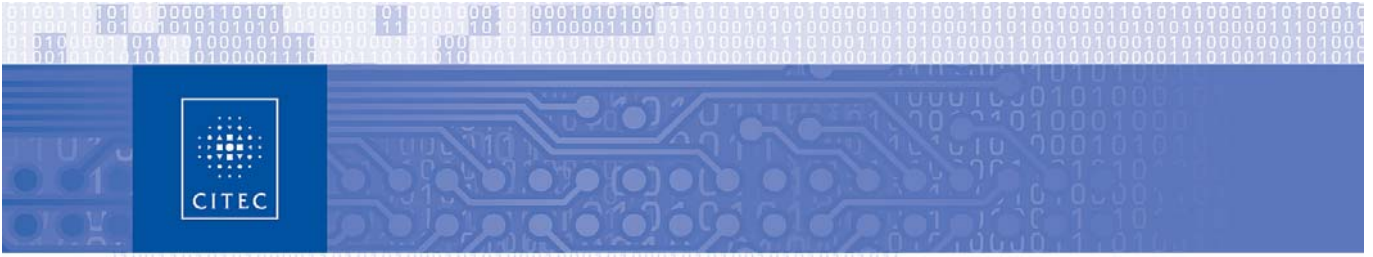

*CITEC Confirm* is one of Australia's largest providers of online information providing information solutions to local, national and multinational organisations.

Established in 1989, *CITEC Confirm* has been a market leader and innovator in information brokerage for almost two decades.

With a strong focus on the delivery of information solutions to improve efficiencies for our clients, *CITEC Confirm* prides itself on a personalised approach to service to help our clients achieve their goals.

Delivering around five million information transactions annually, *CITEC Confirm* empowers our clients with information solutions that help to streamline the business processes involved in court lodgements and tracking, debt recovery, buying or selling of property, money lending, business start up, risk management, asset discovery and insurance claim processing.

With access to more than 40 government and commercial information sources, *CITEC Confirm* provides fast, convenient access to online information, in addition to eLodgement facilities for a number of courts.
